

Choose an Indicator or Dual Channel Counting Scale

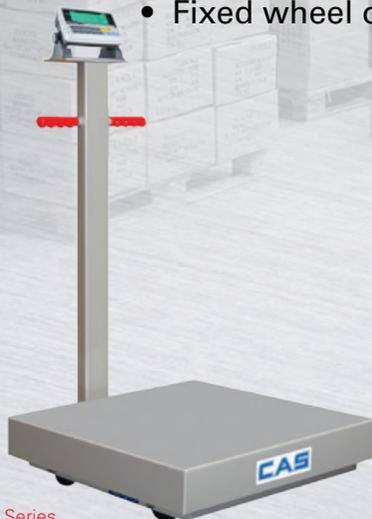

Rugged Design  
Built to Last

# Transit SERIES

## Portable Platform Scale

- Convenient portable weighing platform
- Easily move in any work area
- Tubular design and four point overload protection will provide years of dependable service
- Carbon or 304 Stainless Steel Construction
- Two Heavy Duty Capacities - 500 & 1,000 lbs
- Extremely Versatile -
  - Weigh or Count
  - AC or Battery Operated
  - LCD or LED Displays
  - Fixed wheel or swivel wheel models

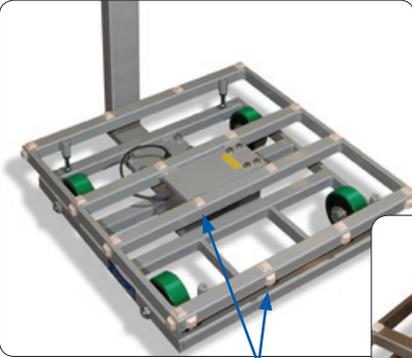

Transit Series  
Fixed Wheel Model  
w/CI-200A Indicator

Transit Series  
Swivel Wheel Model  
w/EC-2 Dual Channel Counting Scale

# Transit SERIES | Portable Platform Scales

## Rugged & Durable

The CAS Transit Series is manufactured with **tubular steel construction** for strength and **four point overload protection** for accuracy and durability.

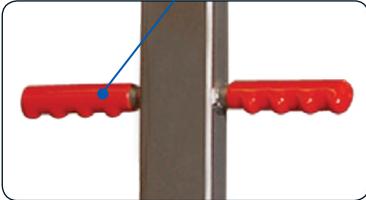

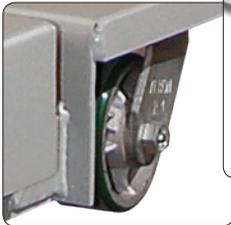

The **multi-point bumper system** protects the scale from shock loading and holds the platform securely in place while allowing for easy removal for cleaning, calibration, or service.

## Portability

- TR-C Models feature four poly bonded 4 inch wheels.
- TR-S Models feature four 4 inch USDA/ FDA approved Aqualite wheels
- TR-CW Models features two fixed and two swivel poly bonded 4 inch wheels
- TR-SW Models features two fixed 4 inch and two swivel 5 inch USDA/FDA approved Aqualite wheels

All wheels contain roller bearings and grease fittings for long lasting performance.

## OSHA Orange Safety Handle Grips

Easy to grip OSHA orange safety handle grips allow simple transport in your work environment. Ensures easy turning and mobility.

## Swivel Wheels

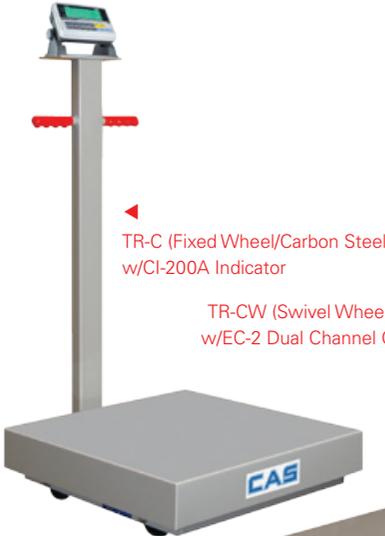

The CAS Transit Series Swivel Wheel Models (TR-CW/TR-SW) glide smoothly across any type floor for easy portability. Easily turn in any direction to help speed up your workflow.

## Versatile

Match your portable platform scale to one of our battery operated indicators for the ultimate portable weighing system.

EC-2 Dual Channel Counting Scale

TR-C (Fixed Wheel/Carbon Steel) w/CI-200A Indicator

TR-CW (Swivel Wheel/Carbon Steel) w/EC-2 Dual Channel Counting Scale

TR-S (Fixed Wheel/Stainless Steel) w/CI-200S Indicator

TR-SW (Swivel Wheel/Stainless Steel) w/CI-200S Indicator

# Transit SERIES | Portable Platform Scales

## FEATURES

	TR-C	TR-CW	TR-S	TR-SW
Structural tubular carbon steel construction	•	•		
Structural tubular Type 304 stainless steel construction			•	•
Heavy gauge painted steel cover	•	•		
Heavy gauge polished stainless steel cover			•	•
4 point overload protection	•	•	•	•
1 part in 5,000 accuracy (NTEP Pending)	•	•	•	•
40" high indicator column w/mounting plate	•	•		
40" high Type 304 stainless steel indicator column w/mounting plate			•	•
OSHA orange safety handle grips	•	•	•	•
Shock absorbing platform bumpers	•	•	•	•
Urethane enamel paint	•	•		
Glass bead finish			•	•
Two Year Warranty	•	•	•	•

## APPLICATIONS

- Warehouses
- Food/Chemical (Stainless Models)
- Counting

Optional Stainless Steel Cover

Optional Locking Wheel TR-CW Models

Optional Locking Wheel TR-SW Models

## PLATFORM OPTIONS

- Locking 4" poly bonded swivel wheels with roller bearings (TR-CW Models Only)
- Locking 5" USDA/FDA approved Aqualite white plastic swivel wheels with roller bearings (TR-SW Models Only)
- Stainless steel cover for harsh environments & corrosive materials (TR-C/CW Models, Standard for TR-S/SW Models)
- Structural tubular Type 314 Stainless Steel Construction
- Stainless steel and "FM" approved load cells

## INDICATOR OPTIONS

- CI-200 Series Indicators
- X320 Waterproof (IP69K) Indicator & Mounting Bracket
- EC-2 Dual Channel Counting Scale
- Counting Scale Mount

Optional Counting Scale Mount
