

Semi Trailer Kits

Part Number/Price

Part #	Model #	Description	Price
Complete Tractor/Trailer Air-Ride Kits			
114285	PL9700-100	Single transducer kit (tractor/trailer) Kit includes: 9700, (2) air transmitter, (2) air pressure transducer, 35 ft & 80 ft truck cable, 15 ft power cable	Consult
114286	PL9700-200	Dual transducer kit (tractor/trailer) Kit includes: 9700, (2) air transmitter 2-lead, (2) dual air pressure transducer, 35 ft & 80 ft truck cable, 15 ft power cable	Consult
114287	PL9704-3202	Three channel air transducer system Kit includes: 9704, (3) air transmitter 2-lead, (3) dual air pressure transducer, (2) 35 ft & 80 ft truck cable, 15 ft power cable	Consult
114288	PL9704-4202	Four channel air transducer system Kit includes: 9704, (4) air transmitter 2-lead, (4) dual air pressure transducer, (3) 35 ft & 80 ft truck cable, 15 ft power cable	Consult
114289	PL9704A-3202	Three channel air transducer system with auto ID indicator/transmitter Kit includes: 9704A, (3) air transmitter 2-lead auto ID, (3) dual air pressure transducer, (2) 35 ft & 80 ft truck cable, 15 ft power cable	Consult
114290	PL9704A-4202	Four channel air transducer system with auto ID indicator Kit includes: 9704A, (4) air transmitter 2-lead auto ID, (4) dual air pressure transducer, (3) 35 ft & 80 ft truck cable, 15 ft power cable	Consult
Half System Air-Ride Kits			
114292	PL9701-200	Dual transducer kit (tractor only) Kit includes: 9700, air transmitter 2-lead LC, dual air pressure transducer, 35 ft truck cable, 15 ft power cable	Consult
114294	PL9701-200	Dual transducer kit (trailer only) Kit includes: Air transmitter 2-lead LC, dual air pressure transducer, 80 ft truck cable	Consult
Half System 5th Wheel Kits			
114295	PL9701-250H	Holland fixed 5th wheel kit (25,000 lb max with dead load) Kit includes: 9700, dual lead transmitter, (2) 5th wheel bending beam/suspension load cell, 35 ft truck cable, 15 ft power cable, hardware	Consult
168363	-	Fontaine fixed 5th wheel kit with 9705 (25,000 lb max with dead load) Kit includes: 9705 with auto id and selectable base, dual lead transmitter, 603-1 wireless transmitter, (5) 5th wheel bending beam/ suspension load cell, 35 ft truck cable, 15 ft power cable and hardware	Consult
114296	PL9701-250F	Fontaine fixed 5th wheel kit (25,000 lb max with dead load) Kit includes: 9700, dual lead transmitter, (2) 5th wheel bending beam/suspension load cell, 35 ft truck cable, 15 ft power cable, hardware	Consult
168365	-	Holland fixed 5th wheel kit with 9705 (25,000 lb max with dead load) Kit includes: 9705 with auto id and selectable base, dual lead transmitter, 603-1 wireless transmitter, (5) 5th wheel bending beam/ suspension load cell, 35 ft truck cable, 15 ft power cable and hardware	Consult
132050	PL9701-250J	Jost fixed 5th wheel kit (25,000 lb max with dead load) Kit includes: 9700, dual lead transmitter, (2) 5th wheel bending beam/suspension load cell, 35 ft truck cable, 15 ft power cable, hardware	Consult
168366	-	Jost fixed 5th wheel kit with 9705 (25,000 lb max with dead load) Kit includes: 9705 with auto id and selectable base, dual lead transmitter, 603-1 wireless transmitter, (5) 5th wheel bending beam/ suspension load cell, 35 ft truck cable, 15 ft power cable and hardware	Consult
Equalizing Leaf Spring Suspension Kits			
114299	PL9720-250	Tandem center hanger load cell kit (25,000 lb max with dead load) Kit includes: Dual lead load cell transmitter, (2) 5th wheel bending beam/suspension load cell, 80 ft truck cable, (4) bearing plates, hardware	Consult
114300	PL9720-450	Tandem tri-dum center hanger load cell kit (25,000 lb max with dead load) Kit includes: Four-lead load cell transmitter, (4) 5th wheel bending beam/suspension load cell, 80 ft truck cable, (8) bearing plates, hardware	Consult
163091	-	Hutch center equalizer hanger for tandem/tri-axle kit Kit includes: Two hangers	Consult
Tandem Trailer Single-Point Suspension Kits			
117667	PL9720-216	Single-point clamp load cell kit, 40,000 lb (80,000 lb max with dead load) Kit includes: Dual lead transmitter, (2) bearing plates, (2) 40,000 lb load cells, (8) bearing plates	Consult
161660	-	Single-point clamp load cell kit, 40,000 lb (80,000 lb max with dead load) Kit includes: (2) 40K load cells, (4) body springs, (2) nuts, bolts and washers, bearing plates	Consult
Indicator Kits			
114163	PL9700-02	Dual-channel indicator kit Kit includes: 9700, (2) dual lead transmitter, 35 ft & 80 ft truck cable, 15 ft power cable	Consult
114174	PL9710-02	Dual-channel indicator air kit with serial ports Kit includes: 9710, 2-lead transmitter, 2-lead air transmitter	Consult
114304	PL9704-03	Three-channel indicator air kit with serial ports Kit includes: 9704, (3) 2-lead air transmitter, 35 ft & (2) 80 ft truck cables, 15 ft power cable	Consult
114305	PL9704-04	Four-channel indicator air kit with serial ports Kit includes: 9704, (4) 2-lead air transmitter, 35 ft & (3) 80 ft truck cables, 15 ft power cable	Consult
