- 500 lb x 0.2 lb
- 24" x 24" Platform
- Single Point Sealed Load Cell
- 10' Load Cell Cable

Model MH-524

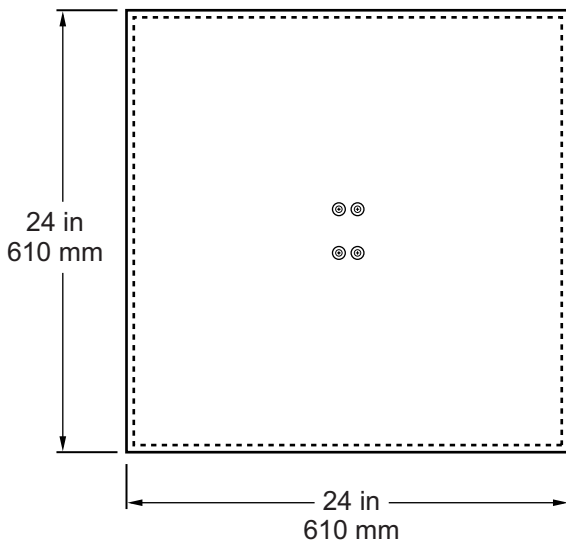

MINI HUGGER FLOOR SCALE

Great for industrial applications, Cardinal's Mini Hugger floor scale is rugged enough for everyday use in the busiest of warehouses. Cardinal's heavy-duty load cell and 1/2-inch thick steel deck plate mean low maintenance and high performance. Add a Cardinal 200 Series indicator (such as the Model 205) and you'll have a weighing system to get the job done accurately and reliably.

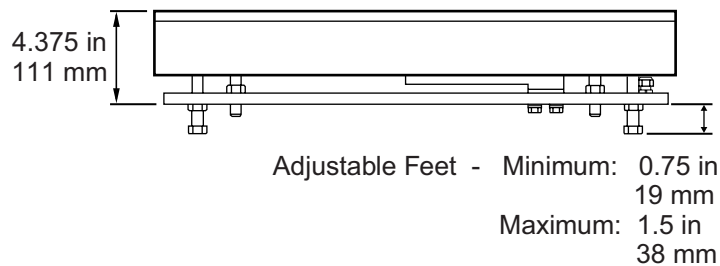

Capacity		500 lb
Output at Capacity		1.1 mV/V
Division Value (e-min)		0.2 lb
Construction	Platform	Mild steel (industrial tan baked powder paint) Size: 24 in x 24 in Height: Adjustable from 5.125 in - 5.875 in
	Mounting Feet	4 adjustable, 2 in diameter
